Abstract: This is a request for an extension of the current information collection. As provided by the Higher Education Opportunity Act, the regulations state the requirements under which an institution must readmit servicemembers with the same academic status they had at the institution when they last attended (or where they were accepted for attendance). The regulations require institutions to charge readmitted servicemembers, for the first academic year of their return, the same institutional charges they were charged for the academic year during which they left the institution (see section 484C of the Higher Education Act of 1965, as amended).
